## OBJECTIVE

To obtain a design position in the design industry because I have a considerable experience in the field of graphic and web design. I would like to use my skills to help build and grow any business I work for.

## EXPERIENCE

**Ignite Design & Advertising Inc.** Ontario, California August 2008 - December 2015

*Web Developer*

- Front end web development. Worked and built out full websites in various platforms such as: HTML, Wordpress, Joomla, Drupal, ASPX, DotNetNuke, ASP, 3dCart, Wolf CMS, Squarespace etc. Also did print design for various clientele such as magazine ads, billboards, stickers, vehicle wraps, posters, banners, tent cards, brochures, business cards, window clings, decals, t-shirt design, sweater design. Built web elements such as, web banner ads, animated flash banners, animated gif banners, e-blasts, static pages, designed mobile apps.

**Orange Coast Title** Ontario, California January 2005 - January 2007

*Map Technician, Builders Searcher*

- Reading legal description and easement descriptions for commercial and residential property and plotting said descriptions on a lot map using a system known as ArcGIS, this task was called plotting out easements. Handling in-house tech support duties, software installing, printer and computer repair troubleshoot software error issues. Performing task-involving consultations with County Engineers, Surveyors, and Auditors. Receive information regarding customer's property and researched and assembled a packet that would be issued for title insurance. Was in charge of getting lot maps for subdivisions notarized and recorded for developers in various counties.

## LANGUAGES

- English

## INTERESTS

My mind never shuts off I am always looking ahead and trying to better myself. Reading blogs that provide tips and tricks on how to do various effects for both web and print. I love photography and dabble a bit in amateur photography. I love to design I love all aspects of design & creativity, but my favorite is "Typography," I believe it is an art of itself and currently teaching myself to become a better letterer.
